About Matt

Matt is a lifelong learner with a proven track record of solving problems and innovating. He has demonstrated success in organizing and coordinating teams and projects, managing multiple tasks and priorities, and effectively communicating with a wide variety of stakeholders. He has 13 years of experience leading people and improving systems in the areas of budgeting and finance, human resources, project management, operations, and volunteer coordination. He now has over a year of programming experience.

Fronted React Developer / DevOps Engineer

Matt has experience building applications with ReactJS, HTML, CSS, and JavaScript. In addition, Matt has gained proficiency with Styled-Components, SASS, Git, GitHub, node.js, Bootstrap, MUI, and more.

Check out his online portfolio: <https://matthastings.online/> (built with ReactJS and Styled-Components)

Profile

STRENGTHSFINDER 2.0

Relator – People talented in the Relator theme enjoy close relationships with others. They find satisfaction in working hard with friends to achieve a goal.

Learner – People talented in the Learner theme have a great desire to learn and continuously improve. In particular, the process of learning, rather than the outcome, excites them.

Adaptability – People talented in the Adaptability theme prefer to “go with the flow.” They tend to be “now” people who take things as they come and discover the future one day at a time.

Intellection – People talented in the Intellection theme are characterized by their intellectual activity. They are introspective and appreciate intellectual discussions.

Maximizer – People talented in the Maximizer theme focus on strengths as a way to stimulate personal and group excellence. They seek to transform something strong into something superb.

RIGHT PATH PROFILE 4

- Supporter Blended Profile.

RIGHT PATH PROFILE 6

- DOMINANCE – Naturally cooperates with others to get the job done. Prefers to lead by working with others, rather than by “taking charge.”
- EXTROVERSION – Very focused, prefers to work alone; private, serious, and reserved; would rather socialize with close associates.
- COMPASSION – Mid-Range Score. Agreeable and supportive but also capable of being objective about people and situations.
- CONSCIENTIOUSNESS – Mid-Range Score. Likes to be structured in some areas but also can operate spontaneously in other areas.
- ADVENTUROUSNESS – Adventurous, ambitious, and competitive; attracted by a challenge.
- INNOVATION – Very creative; likes to generate and express new ideas and seek mental challenges.
